

**Compensation Report  
2022-23 Academic Year**

- This report covers all those who hold positions which have annualized salaries in excess of \$80,000.
- Any bonuses, severance payments (other than those paid to faculty members), and monetary benefits paid to employees during the academic year (July 1 through June 30) are added to salaries to determine compensation for placement in the ranges that follow.
- In the event that the incumbent of a position changed during the year, the information is provided in respect of the incumbent who was in the position at the end of the year.
- Deans and a number of faculty members who have research, travel and entertainment budgets can convert those budgets in whole or in part to income; amounts so converted are not taken into account below.
